

## Repoly AVP

**INCI Name:** Ammonium Acryloyldimethyltaurate/VP Copolymer

**Batch No:** 20240708004-5

**Production Date:** 08/07/2024

**Expiry Date:** 07/07/2026

| Item                                         | Specification                                                                                                                                   | Result  |
|----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| Appearance (25°C)                            | White powder                                                                                                                                    | Conform |
| Solid content (%, 105°C, 3h, 2g) min         | 92                                                                                                                                              | 96.8    |
